

Product life	40,000h
Operating temperature	-20°C~60°C
Pipe diameter	φ25
Pipe thickness	t=1.2
Pipe weight	290g
Pipe material	Polycarbonate
Color temperature	5300k (±300)
Clasp	G13
Consumption electricity	21.2w
The rating voltage	AC85-245V
Pipe surface temperature	27°C~32°C (Room temperature 25°C)
Irradiation angle	330°
Total flux	2400lm
Color rendering	85Ra
Luminous efficiency	113lm/w
1m illumination	220Lx
Incombustibility	UL94
Power factor	89%
Made in Japan
