

# Custom LED Fluorescent Lamp

Makes flowers, fruit etc... naturally sweeter

AC100V (DC24V) type (E26CAP)

Series QFC45

φ 69mm L61mm

spec

- \*Power AC100V or DC24V
- \*Power consumption (Different wavelengths / mA)
- \*Illuminance (1m) (Different wavelengths / mA)
- \*LED (color / nm)

Type: Molded LED

How to use: Areas where heat can be a problem.  
Areas where replacing a bulb is difficult.  
Areas where low maintenance is required.

We can produce from a minimum of 1 bulb.  
Please contact us with any requests.

Dark is basic.

We can produce custom wavelengths.

Ultraviolet		Light								Near infrared rays
